

Impact Your Bottom Line

Partnering with Harvest Time not only benefits those in need, but also your bottom line. Because of Internal Revenue Code 170e3, our donors can deduct up to 200% of cost of donated product. Your company may take the sum of one-half of the unrealized appreciation plus the taxpayer's cost, but not in excess of twice the cost of the contributed property.

Example:

Selling Price:	\$40,000
Cost:	\$10,000
Gross Profit:	\$30,000
One-half of Profit:	\$15,000

*The maximum deduction cannot exceed two times the cost (\$20k). Therefore, gross profit is limited to \$10k.

Total Charitable Deductions: \$20,000

YOU CAN MAKE A
DIFFERENCE

WE CAN
MAKE IT **EASY**
